Mary Ann,

Please see the attached speaker list with the caveat that you see the contractors notes below. Are you trying to synch your records to individual speakers?

She was our court reporter. I can provide a list of names of people who requested to speak in advance, but not the order they were speaking in as that was decided as they arrived when we handed them a number.

Attached is the list of 66 people who registered to speak in advance. Not all arrived onsite and some may have left without commenting.

All,

Was Mary Ann Smith our court reporter, and if so, can we provide her the list of speakers who gave public comments at the Kampachi hearing? Thanks.
